

child labour law practice pdf

Labour law (also known as labor law or employment law) mediates the relationship between workers, employing entities, trade unions and the government.

Labour law - Wikipedia

Child labour laws are statutes regulating the work of minors. They are designed to prevent children from work that interferes with the children's ability to attend regular school or that is mentally, physically, socially or morally dangerous and harmful. Child labour helped fuel the Industrial Revolution by being able to access smaller work ...

Child labour law - Wikipedia

UNICEF is committed to doing all it can to achieve the Sustainable Development Goals (SDGs), in partnership with governments, civil society, business, academia and the United Nations family – and especially children and young people.
