Against a background of increasing threats, business continuity management (BCM) has emerged in many industries as a systematic process to counter the effects of crises and interruptions, although its potential to play a more strategic role is still largely under-explored.

### **Business Continuity Management: time for a strategic role**

Autobiographical memory is a memory system consisting of episodes recollected from an individual's life, based on a combination of episodic (personal experiences and specific objects, people and events experienced at particular time and place) and semantic (general knowledge and facts about the world) memory. It is thus a type of explicit memory.

This new work by Danie Strauss must now be called The Definitive Statement regarding The Philosophy of The Cosmonomic Idea. In effect, it is the New Critique for the twenty first century in that it not only covers the entire range of the fundamental ideas developed by Herman Dooyeweerd more than seventy years ago, but it does so entirely within ...

Introduction. Culture can be defined as the set of attitudes, values, beliefs, and behaviors shared by a group of people, communicated from one generation to the next. 1 Given that the majority of the world's children do not reside in Westernized countries, and that culture influences development, cross-cultural research on child ...
